

## ENTHUSIASM AND HARMONY

Marks the Meeting of the New Democratic County Central Committee.

Which Selects Strong Executive Committee to Conduct the Fall Campaign.

Governor Harmon Is Eulogized and Ed F. Romer Indorsed for Secretary of State.

With all but five of the thirty-one members of the new Democratic County Central Committee present, the committee held a very enthusiastic meeting at the court room last Wednesday afternoon, when they were called together for the first time to organize and transact other business.

The meeting was called to order by selecting H. O. Mowry as temporary Chairman and James K. Carlin, as temporary secretary. On motion, duly seconded, the temporary officers were then made the permanent officers of the organization, and Albert Mersman was elected as vice chairman.

After the organization had been effected, the question of naming a new executive committee came up. Joe F. Tebben, secretary pro tem at the last meeting of the old committee, was called upon to enlighten the new committee. He stated that it had been policy to permit the candidates to name the members of the executive committee and have the Central Committee ratify them, but as the candidates were not present he did not think it in good taste to select the committee at this meeting. A number of the committeemen, however, did not fall in line with his views, and after it was suggested that all but a few of the candidates could be called together on a few minutes' notice, the meeting adjourned for ten minutes and the candidates called in.

After hearing a number of the candidates, one suggested that they be permitted a few moments to get together and select members for the committee. A motion was then made for the candidates to select a list of names for membership on the committee, to be presented to the meeting for ratification. Some members were adverse to letting the candidates name the committee, and a motion was passed to decide the matter by ballot. The result was 12 votes in favor of the previous motion and eleven against. The candidates then went into executive session to make their selection.

### Romer for Secretary of State

During the interval State Bank Examiner Edward F. Romer, former cashier of the First National Bank in this city, was introduced by the meeting for Secretary of State and the delegates to the State convention instructed to use their united efforts in his behalf.

### New Executive Committee

The following members for the executive committee were then presented to the meeting and the selection ratified by the unanimous vote of the committee: Henry Miller, Orville Raudabaugh, J. D. Johnson and J. F. Tebben, of this city; John Spriggs, of Washington; William Ketter, of Butler and Wm. B. Fryberger, of Dublin.

Hon. J. W. Lores gave a short talk on Democracy and the excellent chances of the Ohio Democrats this fall. Prosecutor John G. Romer was then called upon and in a few brief words stated plainly to the committee what he had done in regard to the sewer pipe investigations, and what there was to the agitation being started against him by the Republican papers of the county. He stated that he had done all in his power to get at the bottom of the alleged fraudulency and the fact that two grand juries, half of the members of each of which were Republicans, failed to find indictments, and on the other hand commended the Prosecutor for his zeal in furnishing them all information that was possible to secure, was a vindication of his integrity and the fact that the Democratic standard of honesty and right in public office.

### Gov. Harmon Indorsed

In the meantime the following preliminary resolutions had been prepared and were presented by Mayor Kenney. They were adopted by a unanimous vote of the Central Committee:

Whereas, The administration of Hon. Judson Harmon, Governor of the State of Ohio, has proven that the people of Ohio made a wise choice in selecting him as Chief Executive of this State (last year);

Whereas, His statesmanlike conduct of the business of his great office, and his unquestioned integrity, have been honored by the great State of Ohio; and

Whereas, The people of the State of Ohio, regardless of party affiliations, have discovered in him a great and true champion of their rights, a Chief Executive whose highest aim is to protect the public against further aggressions of that branch of the Republican party dominated by selfish motives, and against those evils that are the natural fruits of Republican misrule; and

Whereas, His administration, in every respect, commends him, not only to Democrats, but also to all fair-minded Republicans, and to all citizens who love good government, therefore

Resolved, That the Democracy of Mercer County congratulate the people of the great State of Ohio, and the Democracy of this county upon the vindication of Democratic doctrine, and the redemption of the State Government from the hands of those who would trample upon the rights of the people for the purpose of private gain; and

Resolved, That recognizing Judson Harmon's splendid intellectual equipment, statesmanlike qualities and sincerity of purpose, we, the Democracy of Mercer County, endorse him for re-nomination for Governor of Ohio, and appeal to the Democracy of the Nation for his nomination for President of the United States of America.

## Of Such is the Kingdom of Booe

Richard McGriff, aged 63 years, a plumber, of Lima, was shot and almost immediately killed by Sam'l Ferguson, a grocer of that city, shortly after noon last Saturday. McGriff lived only 24 hours. This was the trouble over a grocery bill, and Ferguson in an intoxicated condition went to the McGriff home and shot down the head of the household. Ferguson is now confined in the Allen County Jail. McGriff was a cousin of S. P. McGriff, of this city.

## FROST FOR OLD POST-OFFICE GUARD

Which Is Kicked Over Dash-Board by Insurgents in G.O. P. Central Committee.

Postmaster C. A. McKim and his cohort of Republican standpatters, who have had control of the county Republican organization almost beyond the memory of the inhabitant, lost their hold on the organization last Tuesday afternoon, when the insurgent members of the Central committee, who won out over the postoffice committeemen candidates on the 17th, flatly refused to endorse the Republican County Executive Committee selected by the McKim crowd, and instead elected the following hostile committee: J. W. McKee and A. C. F. Gilberg, of this city; C. G. Wilson, of Rockford; J. M. Hale, of Center; T. C. Davis, of Union; G. J. Winkelman, of Chickasaw, and Albert Baxton, of Franklin.

The committee will meet on Saturday, the 11th, to organize. Clifford Pixler, of Rockford, was selected Chairman and H. F. Drury, of Center, secretary of the Central Committee.

## PROBABLE YOUNG PEOPLE VICTIMS

To the Wiles of Dan Cupid—

Cashier C. H. Howick and Miss McKee Wedded.

A quiet wedding of two of Celina's most popular young people was solemnized at half-past 5 o'clock last Wednesday morning at the home of Mr. and Mrs. John W. McKee, North Main street, when their eldest daughter, Miss Ethel Ethel Howick, was united in marriage to Cashier C. H. Howick, of the First National Bank of this city, the ceremony being performed by Rev. Chas. Bennett of St. Paul's M. E. Church.

The ceremony was witnessed by only the bride's parents, Miss Ethel Howick, of Portland, Ind., a cousin of the bride, and Dr. and Mrs. G. S. Johnston. A wedding breakfast was served immediately following the marriage rites, and the young couple left on the six o'clock Western Ohio car for the east, where they will spend a short honeymoon. On their return they will be at home to their host of friends at the magnificent Howick residence on North Main street.

### The Groom Is One of Celina's Most Successful Young Business Men

besides being cashier and a stockholder of the First National Bank, is clerk of the Board of Education of this city, well known in political circles, having served two terms as county treasurer and as an active party worker in numerous campaigns.

The bride is one of Celina's fairest daughters, a highly accomplished young lady and a leader of the younger social set of the town. Up until a month ago she had charge of the cut glass and hand-decorated china department of the McKee jewelry store, West Market street.

The Democrat joins with their host of friends in extending well wishes for a happy married life.

### Witten—Dull

Deputy County Surveyor Otto C. Witten and Miss Iva Dull, of Ohio City, were united in marriage by Rev. C. H. Gotchell, at the home of the officiating clergyman in Ohio City, last Tuesday noon. Following the ceremony, the young people came to this city where they were unexpectedly met by a crowd of young friends prepared for the occasion, and taken in a matrimonially decorated carriage to the city hall where the groom had prepared for his bride on East Wayne street.

The groom was formerly a resident of Van Wert County, but for the past five years has been an assistant engineer in County Surveyor's office of this city, first serving under Engineer Martin Lutz, who recognized his ability and gentlemanly qualities. He has served since under Surveyor Marsh and has proven efficient and painstaking in the work entrusted to his care. He stands high in his profession, and enjoys the confidence of the people of the county to an unusual extent.

His bride is an accomplished young woman and well known in the north part of the county.

### The Democrat extends felicitations.

## FORT RECOVERY WHEEL OIL STREETS

First Town in This Section to Try Scheme—Pay Streak Gas at Burkettville.

[Ft. Recovery Journal.]

Aaron Jones, of Burkettville, while in town with his family Saturday, informed us that a company of Maria Stein capitalists had drilled in a gas well at Burkettville last week. The well is a good one, came in strong and has held up and is just as strong now as when it first came in. Mr. Jones and another citizen of the town are preparing to drill another well, and a company made up of Burkettville citizens is being organized and will also drill. Six or eight wells will likely be drilled in the town. This makes things look lively in this line for Burkettville.

The village council and street commissioner are having the streets scraped and given a thorough cleaning, preparatory to having them oiled. Some weeks ago the council bought 10,000 gallons of Standard Oil Company road oil, enough, it is estimated, to oil about two miles of street. The oil and a sprinkling outfit and a representative from the Standard Oil Company are all here. This dust or road oil, it is said to be the most economical solution of the dust problem in towns of this size known. It will, at least, be given a thorough trial in Ft. Recovery.

Mrs. J. H. Huelsman, aged 67 years, died at her home at St. Henry last Friday shortly after one o'clock, following a lingering illness of the past seven years. She is survived by her husband.

Philip Reier, aged 72 years, who last week fell from a wagon, suffering in injuries, died at his home near Cranberry Prairie shortly after five o'clock last Friday afternoon. Mr. Reier was born at Fryburg, Auglaize County. In middle life he came to Mercer County. His venerable wife and nine children survive him. He was a splendid citizen and honored by all who knew him.

## Kin Folk Help Couple Celebrate Golden Wedding

Surrounded by a happy throng of children, grandchildren and other relatives, Philip Fast and his estimable wife, of Center township, last Sunday celebrated the fiftieth anniversary of their wedding.

Mr. and Mrs. Fast have lived in the neighborhood in which they now reside ever since their wedding day, and few couples have enjoyed the friendship and good wishes of neighbors so generally as they, nor has it been more deserved. May they enjoy many more wedding anniversaries.

## Court Matters

The case of John Horton, of Dayton, the noted Green goods swindler, which had been set down for hearing next Monday, has been indefinitely postponed, owing to the fact that Horton is laid up with a broken leg, as the result of falling out of a buggy while endeavoring to escape the clutches of one of his victims. It was also stated that Geo. Mannix was on the sick list and John Egan was in the south. Beth is his cousin.

Judge Layton, of Wapakoneta, was in this city yesterday afternoon and disposed of the indictments returned by the grand jury last week.

John Cenebaugh, Jr., indicted for forgery on two counts and for uttering and publishing forged instruments, and if the grand jury was sentenced to the Mansfield reformatory for an indeterminate time.

Dr. D. H. Miller indicted for exceeding the speed limits on two counts, plead not guilty. His trial was not set down.

Harry Richardson, the traveling peddler, who flim-flamed John Haskins, of Center Township, out of some money and was indicted for obtaining money under false pretense, got off pretty easy, the court giving him a ten day jail sentence. In passing sentence the court said he took into consideration the fact that the fellow had already served 43 days in jail and was a model prisoner.

## THE GRIM REAPER

One of the most sudden and pathetic deaths that has shocked this community in many years, occurred with the announcement of the untimely demise of Miss Blanche Dick, aged 23 years, a teacher in the fifth grade of the West Side school in this city, from a private sanitarium at Columbus last Tuesday afternoon.

The case is one of the saddest that has ever been chronicled in the county. Within the last few weeks relatives and friends of the deceased girl had noticed that at times she acted in a peculiar manner, and last week her mind became badly affected, causing deep anxiety so fast did her mental troubles grow. Friday night she became decidedly worse and Saturday morning, accompanied by her father, F. M. Dick, of Union township, she was taken to a private sanitarium at Columbus for treatment. Her case seems to have been beyond earthly aid, and the end came as stated.

Miss Dick was one of the most popular teachers in our schools, and had been re-employed for the coming term of school. Wm. C. Dick, of the J. A. Roemer Co., the well known clothing house, is a half brother of the deceased girl.

The remains were brought to this city Wednesday night and taken to the home of her parents near Mendon, where funeral services will be held at 12:30 this afternoon. The remains will be brought to Celina for interment, and if the weather will permit the casket will be opened at North Grove to allow her pupils and friends in this city to look upon her face once more. Should the weather be inclement her remains will be brought to St. Paul's M. E. Church for that purpose. The time for arrival here is not definitely known, but will be about 3:00 o'clock.

Mrs. Wm. Nickel, aged 73 years, one of the pioneer residents of this city, died at her home on North Main street shortly before ten o'clock last Friday morning. She has been suffering with stroke of the brain for the past couple of years and this, coupled with the infirmities of old age, caused her death. She had been in a serious condition for some weeks past and at midnight a week ago she suffered a sinking spell from which she never rallied. She was born in Fairfield county, Ohio, and later removed to Auglaize County, where she was united in marriage to Wm. Nickel in 1859. She is survived by her husband and one son, Benjamin Nickel, a member of the Riley-Griffith Hardware firm. Funeral services were held at the late home last Sunday afternoon, followed by interment at North Grove Cemetery.

John Miller, aged 65, a former well known resident of Hopewell township, died at his home on North Mill street, this city, shortly before noon yesterday, after a lingering illness of several years of dread consumption. He is survived by a wife and six children.

Funeral services will be conducted from Albright's church next Sunday, Rev. C. N. Bollman officiating.

S. H. Shaw, aged 60 years, who formerly resided west of this city, died on the 26th ult. at the home of his son near Wapakoneta. He was a resident of this city until a couple of years ago, when he moved to Auglaize County following the death of his wife, Mrs. Harry Grapner, of near Coldwater, formerly on the staff of correspondents of The Democrat, is a daughter of the deceased. Funeral services were held at Crider's hall, last Sunday afternoon.

Mrs. J. H. Huelsman, aged 67 years, died at her home at St. Henry last Friday shortly after one o'clock, following a lingering illness of the past seven years. She is survived by her husband.

Philip Reier, aged 72 years, who last week fell from a wagon, suffering in injuries, died at his home near Cranberry Prairie shortly after five o'clock last Friday afternoon. Mr. Reier was born at Fryburg, Auglaize County. In middle life he came to Mercer County. His venerable wife and nine children survive him. He was a splendid citizen and honored by all who knew him.
